-

History

The origins of Benjarong

Benjarong meaning five colors. Originally there would have been red, yellow, green, blue and white but as time passed it can mix to Produce different shade or secondary colors. Thai benjarong wares is unique style of enamels color on a white porcelain which base from Ming dynasty China(1368-1644AD)

Royal porcelain

In 13th-18th century when Chinese arrived to Thailand. They brought their beautiful porcelain. This was popular with royalty and have been imported from China By local Thai artisan draw a pattern and sent them to China (Sino-Thai wares) Later, they discovered kaolin clay which is one of main material. The First Thai benjarong was made in the reign king Rama V. Benjarong to be used for royalty and weathy merchants only.

Nowadays Benjarong is available to all people because of King Rama IX's permission
